Married to an Adulterer

Ask Frank and Angie: Hi Angie & Frank. I really don't know what to do for my lying husband because of the ongoing affair. Even if I catches him many times still keeps on lying. I confronted him to choose between me & my kids or the other woman he won't answer & leave me hanging, change the subject instead. I'm tired & it hurts a lot. After awhile I forget then it feels ok, but after few days I heard rumors again bout him bringing food at work with the other woman & texting him again.. I don't know if marriage counseling will work again. We had counseling with the pastor before but he's quiet, doesn't want to talk..I don't want to break our family, don't want to hurt my kids... I really don't know what to do..I still have 13 youngest son..pls tell me what to do I have a lot of bitterness inside , can't sleep well....

Heaven Ministries Response: Our loving Father wants us to be rich in love, and healthy in our bodies and minds but adultery and fornication cause us to be poor in love and sick in our bodies and minds. Do you see then, WHY God wants us to avoid adultery and fornication? Both will take away our health and wealth!

Now then, my sons listen to me; do not turn aside from what I say. Keep to a path far from her. Do not go near the door of her house, lest you give your best strength to others and your years to one who is cruel, lest strangers feast on your wealth and your toil enrich another man's house. At the end of your life you will groan when your flesh and body are spent".
Proverbs 5: 7-11)

We have covered this topic many times. We're so sorry you are going through this devastating time in your marriage at this time. **You can't save your husband** and if he doesn't want counseling you can't make him go either. He needs healing so he can repent and change his life! No one can do that for him. **He has to choose**

the path that leads to God. It may take awhile or it may never happen and that's why you have to take care of yourself.

The best thing you can do is TAKE CARE OF YOU! Your husband is not going to change one iota until he is ready; it doesn't matter what you do or what you say. This is why you need to learn to DETACH FROM THE BEHAVIORS of your husband, and you do that by learning to let it go and giving it to the only ONE WHO CAN SAVE your husband from the pit of darkness he has made for himself.

Because we have covered this topic extensively we are going to leave you with a lot of materials (articles, marriage help columns and eBooks) that will help you to grow out and away from the sins of your spouse. Remember; do not allow your husband's sins to undermine your relationship with Jesus Christ! **Take care of you!**
